All Revenue Officers,
Yobe State Internal revenue Service,
Yobe State.

**WITHDRAWAL OF CONDITIONAL RECEIPTS AND IMPLEMENTATION OF E-RECEIPT FOR ALL
REVENUE COLLECTION**

The Yobe State Internal Revenue Service (YIRS) in its ongoing efforts to enhance transparency, accountability and efficiency in revenue collection, hereby notifies all ministries, Departments and Agencies (MDAS) that the use of conventional (manual) receipts for any form of payment is hereby withdrawn.

2. Henceforth, all remaining conventional receipts at hand should be returned to the office of the director collection and accounting with immediate effect. All MDAS are mandated to use the <https://payyobe.com> platform for the issuance of receipts related to revenue collection. This process is in line with global best practices and the state Government's drive towards a fully automated revenue system.

3. While appreciating your continued partnership in facilitating efficient revenue collection for the development of the State, please accept the assurances of our esteemed regards.
